

Premier Imaging Products Receives the Wilhelm Imaging Research Certified Seal for Print Shield and Eco Print Shield

PremierArt line of finishing solutions extend the life of the image!

Photokina, Cologne, September 26, 2006- Premier Imaging Products today announced it has received the Wilhelm Imaging Research (WIR) Certified Seal for PremierArt Print Shield and Eco Print Shield. The WIR certified seal was awarded to the coating products based on WIR's latest Display Permanence Ratings on the PremierArt line of finishing sprays, Print Shield and Eco Print Shield, when using Epson UltraChrome and UltraChrome K3 ink, on the media listed in the tables below.

Table #1: Display Permanence Ratings from WIR with and without Print Shield and Eco Print Shield with Epson® UltraChrome K3™ ink.

Paper & Canvas Printed with Epson UltraChrome K3 ink on an SP9800	Displayed Prints Framed Under Glass	Displayed Prints Not Framed (Bare Bulb)
Somerset Velvet for Epson (Color) Somerset with Print Shield	62 years 166 years	37 years 75 years

About PremierArt Print Shield: Print Shield is a lacquer based protective spray designed specifically for ink jet prints. Print Shield protects all ink jet prints from moisture, UV, light, humidity, atmospheric contaminants, fingerprints and even scuffing!

Print Shield also eliminates gloss differential, a common problem associated with pigment inks. Print Shield is available in convenient aerosol cans as in an economical bulk 5 liter containers for use in HVLP spray guns for high volume applications.

Table #2: Display Permanence Ratings from WIR with and without Print Shield and Eco Print Shield with Epson® UltraChrome™ ink.

About PremierArt Eco Print Shield:

Eco Print Shield is a revolutionary new water based protective coating designed specifically for water resistant ink jet media. Its advanced polymer technology will not crack under stretching, and will never go brittle. Eco Print Shield protects all instant dry ink jet media from moisture, light, humidity, atmospheric contaminants, abrasion and even fingerprints. This ecologically friendly protective coating is available in a Gloss, Satin and Matte finish.

Eco Print Shield available in quarts and gallons
